

REMARKS

The following issues are outstanding in the pending application:

- The title needs to be corrected; and
- Claims 1-4 are rejected under 35 USC § 112, second paragraph.
- Claims 1-4 are found to be allowable if amended to overcome the 112 rejections.

Correction to title

The title has been corrected to place it in proper idiomatic language.

35 USC § 112

Claims 1-4 have been rejected under 35 USC § 112, second paragraph as being indefinite for failing to particularly point out and distinctly claim the subject matter of the invention. I claim 1, the element of the "mold jaw half" has been amended to recite "two mold jaw halves" thus clarifying the text of claim 1. Because of the dependency of claim 2-4 on claim 1, the rejection of these claims has been removed. Therefore, Applicant respectfully requests
